Church Family,

We cannot begin to express how thankful we are for all of you! The celebration of our 10th anniversary with you was far beyond what we ever could have expected! Thank you for all of your cards. It literally took Rebecca and me an hour and a half to get through them all. We laughed, we cried, and we reminisced about our 10 years of ministry here. Some of your cards made us remember those who had gone on to glory since we have been here, and we talked about those people and the legacy they left behind. We remembered old stories about things that happened with some of you in our early years here. Those cards will forever be treasures to us! Thank you also for remembering our boys by sending them gifts and cards along with the gifts you gave us. One of the cards was drawn by a child and left unsigned and simply said, "I love Evan." That means more to us that you could ever know! We also appreciate the beautiful print of the master plan that will hang in my office and the monetary gift from the church. Your generosity is amazing.

Ten years ago when we began this journey, we were in a "We can't, He must" situation. Now 10 years later, we look back and see all that God has done. But we are not done! As Rebecca sang Sunday, "I've seen You move the mountains, and I believe I'll see You do it again!" We look forward to many more years of watching God "do it again" here at First Baptist Church Pineville! We love and appreciate each and every one of you!

MOM TIME

Mom Time will be every Wednesday from 5:45-7:15 P.M. in Room 210. This is a group for moms to fellowship and relax while the kids are in Wednesday activities! There will be a short devotion, prayer time, visiting, and building relationships. We will have coffee, tea, and treats!

F.I.R.S.T. Kid's Corner

The Beginning of a school year and ministry year are always packed with meetings and to-do-lists and trying to get back into a routine at home, work, and church. This year in Preschool and Children's Ministry we have started with a bang! It has been exciting to see God working and moving and growing our ministry!

Wednesday evenings kicked off with our Splash Bash at Kees Park. It was awesome to see families visiting and connecting with one another! I owe a thank you to Tyan and Kenny McNeely and their cooking crew! We started our Wednesday night classes on August 22 and we had 34 children and 15 preschoolers in our Music and Missions classes. Our Sunday School classes are drawing guests every week with an average of 32 preschoolers and 48 children each week! As you enter the Preschool and Children Suite on Sunday and Wednesday you can feel a spirit of excitement and the Spirit of the Lord. Our God is at work in the lives of our families and He is drawing families to our church.

Each week as children come into our areas, they are greeted by our precious volunteers! During our Sunday School hour every week, it takes 16 volunteers in Preschool, 13 volunteers in Children's area, and 11 volunteers in Extended Teaching Care. That is 40 volunteers to love on, care for, and teach the Word of God to our F.I.R.S.T. Kids! Each Wednesday night in Music and Missions, we have 4 childcare workers, 5 Preschool music and missions leaders, and 14 Children's music and missions leaders!

The Lord has grown our Wednesday night activities, so much so, that we needed to add a younger children's choir, Grades 1-3. This will allow our choirs to continue to grow and to let them learn about music on their age level in a fun and exciting way! I am thankful that the Lord stirred in the hearts of our new choir teachers, Julie Tryon and Beth Ingalls, to serve in this ministry! As we grow, we will need more volunteers and more classes! What an AWESOME opportunity to serve the Lord! Are you a willing vessel to be used by God to serve?

One of my areas of focus this year is to connect to the whole family, not just the children! It is my desire that our families would be comfortable to have faith talks with their children, that it would be natural to have spiritual conversations with your family throughout the week! Let's invest in our children's spiritual "schooling" and not just their education in the school system they attend. They are both so important. I leave you with the following verse from Deuteronomy 11: 18-20, "Fix these words of mine in your hearts and minds; tie them as symbols on your hands and bind them on your foreheads. Teach them to your children, talking about them when you sit at home and when you walk along the road, when you lie down and when you get up. Write them on the doorframes of your houses and on your gates."

Welcome to our New Member!

Thank You!

Dear Church Family,

I would like to thank you for the outpouring of love and prayers during my recent surgery for knee replacement. The phone calls, cards, flowers, meals, and visits have meant a great deal to me. My recovery is going very well. I have to believe prayer has been a big factor in this. Please keep praying for complete healing.

Love,

Kay Harville
